A. Additions to Amendment Number Five to the FY 2009-2012 Transportation Improvement Program To Add Enhancement Projects

Stoneridge Street Sidewalks FY 2009-2012 TIP Amendment

Greene County has requested a TIP amendment to reprogram 2008 Enhancement funds and to add additional prior year Enhancement funds (resulting in savings from other projects) to install sidewalks along Stoneridge Street from the intersection of Stoneridge Street and Farm Rd. 165 east to the intersection with Delaware Avenue. The original request was to use these funds on Weaver Road. However, Greene County is planning to construct sidewalks on both sides of Weaver Road using local funds. (Materials Attached)

Strafford School Sidewalk Phase 1A - FY 2009-2012 TIP Amendment

The City of Strafford has requested a TIP amendment to construct approximately 615 feet of sidewalk in front of the Strafford School campus along McCabe Street between Old Orchard Road and the school campus. Funding for the project is from American Recovery and Reinvestment Act (ARRA) Enhancement Funds. (Materials Attached)

Ozark Safe Routes to School Phase III - FY 2009-2012 TIP Amendment

The City of Ozark has requested a TIP amendment to a construct approximately 950 feet of sidewalk along State Highway 14/Jackson Street beginning at a point approximately 360 feet east of 12th and ending at 4th. Funding for the project is from American Recovery and Reinvestment Act (ARRA) Enhancement Funds. (Materials Attached)

Highway Z Sidewalk Project FY 2009-2012 TIP Amendment

The City of Willard has requested a TIP amendment to construct approximately 2,000 feet of sidewalk along the west side of Highway Z from the Frisco Highline Trail to the Willard Recreational Center. Funding for the project is from American Recovery and Reinvestment Act (ARRA) Enhancement Funds. (Materials Attached)

Frisco Highline Trail Surface Improvements FY 2009-2012 TIP Amendment

Ozark Greenways has requested a TIP amendment to pave the existing Frisco Highline Trail between Springfield and Willard. Funding for the project is from American Recovery and Reinvestment Act (ARRA) Enhancement Funds and existing SAFETEA-LU reprogrammed Enhancement Funding. (Materials Attached)
